Greetings Vendors!

The West Texas Western Swing Festival will be held **June 5-9, 2012** in Snyder, Texas at The Coliseum in Snyder, Texas. We hope that you have marked your calendars and are planning to join us. We have another exciting festival planned for everyone. We look forward to seeing our returning Western Swing fans and cannot wait to make new friends.

At our chamber office, we are finalizing all the details for the festival and want to ensure that everyone is up to date and ready to jump on board.

Since the festival is held inside of The Coliseum, vendors will be responsible for their booth and all materials. Please bring your own tables, chairs, fans, lights, etc. The Coliseum does have tables and chairs for rent, but we will need to know in advance if you plan to utilize these items.

An 8x12 booth space inside the arena will rent for \$200 per space and an 10x10 space in the foyer of The Coliseum will rent for \$100 per space. Electricity will be available for some booths, so please specify if it will be needed on your registration form. **(Note that booths will be assigned on a first paid basis.)**

Please fill out the enclosed registration along with your payment and **return it by April 30, 2012** to:

**Western Swing Festival
P.O. Box 840
Snyder, TX 79550**

Thank you for being a part of our Western Swing Festival. We look forward to seeing you!

Sincerely,

Melissa Elam
Executive Director
